This table is a guide using the latest tariffs provided by electricity suppliers. The amount you pay per unit should be on your most recent bill or you can get this information from your current supplier. You should contact your preferred supplier to obtain more information about their tariffs, discounts and terms and conditions.

The Consumer Council has a simple guide about switching domestic electricity supplier. This can be downloaded at www.consumerCouncil.org.uk or a copy can be obtained by contacting our freephone number 0800 121 6022.

Economy 7 tariffs offer cheaper electricity rates at night - check with the electricity supplier as times may vary.

Prices from include VAT at 5%. Some tariffs may be available to new customers only.

The EPG has reduced to zero from 01 July 2023, so no discount has been included.
