This table is a guide using the latest tariffs provided by electricity suppliers. The amount you pay per unit should be on your most recent bill or you can get this information from your current supplier. You should contact your preferred supplier to obtain more information about their tariffs, discounts and terms and conditions.

The Consumer Council has a simple guide about switching domestic electricity supplier. This can be downloaded at www.consumercouncil.org.uk or a copy can be obtained by contacting our freephone number 0800 121 6022.

Prices from 04 November 2022 including VAT at 5%. Some tariffs may be available to new customers only.

All rates include the Energy Price Guarantee (EPG) effective from 01 November 2022.

(Annual cost is calculated using a typical annual consumption of 3,200kWh and is based on unit rate and standing charge where applicable, including VAT at 5%)
